

SMART SOCIETY

MY APP, MY PRIDE!

EASIER MANAGEMENT OF SOCIETY THROUGH MOBILE APP**3 LAYERS APPLICATION FOR SMART MANAGEMENT**

The Committee App is to be used by Chairman / Manager / Committee Members to post notices, resolving complaints, plan an event, maintenance collection, monthly reports, parking management, create polls and transparent administration.

Society Members can use the App to know their neighbors, inter member communication, complaints, requests, bill payments, manage visitors, bookings society amenities, controlling unnecessary forwards, getting important notices, share achievements and so on.

The Gatekeeper Version of the App has been designed in the simplest form and can be used by the security staff. Most efficient for the visitor management & authentication, delivery management, parking & vehicle management, emergency & overstay alerts and daily staff management.

WHAT'S IN IT FOR YOU?

**STAY CONNECTED & BUILD BONDS**

The platform helps to develop a powerful community and allows members to connect better with their neighbors.

**MEMBERS ARE NOW SECURED**

The platform ensures utmost security with blending technology & human work together. In emergency, just a click can inform & alert your family members, society members and society staff.

**EASIER MANAGEMENT OF VISITORS, DELIVERY EXECUTIVES & DAILY STAFF**

The Platform helps in getting utmost use of all services of society. You need not worry about your guests, your parcels are collected when you are not at home. Entry & exit notification of maid, cook, driver and other service staff.

**TRANSPARENT MANAGEMENT**

The Platform helps for effective & transparent management of society like collection of dues, resolving complaints in time and maintaining harmony among society members
